

PC & Laptop Repairs and Upgrades

At Panda, we offer a fixed price PC Repair Service.

We offer a free quotation service and no call out fee.

We come to you and repair your PC in your own home where possible.

In the event that your PC cannot be repaired in your home it will be taken back to our workshop and returned to you within a few days.

PC upgrades can also be carried out in your own home although we do prefer to be carried out this in the workshop.

We also offer a free collect and return service for workshop repairs and upgrades.
